- And other freelancing applications are gpty(is a message generation app using chatgpt api keys) ,..

Software Development	**Google developer student club , Outr**	*sept 2023 - onwards*

- It is an development related club , where students are learning to make website and applications and enhancing there skills in tech related works with the guidance of seniors and experience people.

EDUCATION

Under Graduation	**Odisha University of Technology and Research**	*Aug 2023 – Jun 2026*

B.Tech in Computer Science and Engineering, GPA: **9.3** till 3rd Semester

Diploma	**Bhubanananda Odisha School of Engineering**	*Sept 2020 – July 2023*

Diploma in computer Science and Engineering, **percentage: = 91%**

PROJECTS

Voice Assistance Automation (large and advanced)	*april 2024*

It is a machine learning project done in **python**
Implemented the **ASR** technology to detect voice from surrounding and response. It was used in work done related to human activity recognition

Hospital Management System (intermediate)	*feb 2024*

It is a java database connectivity project. this project is all about appointment, doctor and patient management and all the necessary work done in a hospital .
Technology used – **java**, **MySQL** database , **jdbc** concept

Task manager Application (basic)	*nov 2023*

It is an application who manage daily works and analysis time of all work .
It is developed using **flutter** (as a frontend)and **firebase** (as a database and cloud services).

LANGUAGES AND TECHNOLOGIES

Programming Languages: C++, C, Java, JavaScript	**Scripting Language:** Python
Libraries : pandas	**Cloud:** firebase
Database: MySQL, MongoDB	**Web Backend:** node js , express
Framework: flutter	**Web Frontend:** HTML, CSS
Tools and Technologies: Git	

Licenses & Certifications

Java – HackerRank	Networking Academy Brahmananda Tosh - page 1
Mysql – Udemy	cisco enterprise networking , security and
IT ESSENTIALS – Cisco	automation - Cisco Networking Academy Master
Networking Academy Introduction to cybersecurity – Cisco	flutter and firebase – Udemy
Networking Academy Cisco Routing and Switching and wireless essential – Cisco	NetworkingAcademy introduction to network-Cisco
